September 4, 2025

TO: Dr. Stacy Ewings
Principal, Jack Jackter Intermediate School

According to the Board of Education Policy on weeding (6163.1 [e&f]), the instructional coaches at Jack Jackter Intermediate School would like to remove approximately 1,500 obsolete books from the curriculum collection.

Titles to be removed have one or more of the following conditions:

- worn, damaged, and/or soiled
- outdated and containing inaccurate or incomplete information
- no longer support the curriculum
- information has been superseded by newer materials

Specifically, these materials are largely the old teachers' manuals and student workbooks for Eureka Math and Reading Street. Those programs have either been updated (Eureka Squared) or have been replaced with other programs (Wonders). As a result, these materials are now obsolete, as new curriculum texts are being used in their place.

Thank You,

Kerry Zrenda Kristen Cleasby-Gayle
